Muslims & Democrats A Toxic Mix

Muslims and Democrats – A Toxic Mix

Islam is both a religion and a comprehensive political construct. It has been well-documented that Islamic Sharia Law is incompatible with the U.S. Constitution. (See: <https://www.wnd.com/2016/11/is-islam-incompatible-with-u-s-constitution/>) So why are Muslims and Democrats reaching out to one another to form a political alliance? Democrats see Muslims as a reliable voting block with a higher than average turnout rate. Muslims see the Democratic Party as more supportive of minority issues. Beyond that, there is not much common ground.

Little Common Ground: Democrats vs. Islamic Sharia Law

Here are some of the main planks of the Democratic Party compared with Islamic Sharia Law:

Democratic Party Platform Line Items

- ▶ Guaranteeing women's rights
- ▶ Guaranteeing lesbian, gay, bisexual, and Transgender rights
- ▶ Respecting Faith and Service
- ▶ Promoting Arts and Culture
- ▶ Protect Religious Minorities and Freedom of Religion
- ▶ Ban Torture Without Exception

Islamic Sharia Law Stipulations (R of T)

- ▶ Women's inheritance one-half of men's (L6.7)
- ▶ Women's testimony is one-half of men's (o24.7)
- ▶ A virgin can be married off without her consent (m3.13(1))
- ▶ Kill the one who sodomizes and the one who lets it be done to him (p17.3(1))
- ▶ Lesbianism is adultery (worthy of stoning) (p17.3(3) and o12.2)
- ▶ Judaism and Christianity are unacceptable cults (w4.0(2))
- ▶ Every maker of pictures will go to fire (w50.1)
- ▶ Do away with musical instruments (r40.1(1))
- ▶ Allah will pour molten lead into the ears of whoever sits and listens to a songstress (r40.1(2))

- ▶ Whoever seeks a religion other than Islam, it will not be accepted by Allah (w. 4.4)
- ▶ Retaliation for injuring and then causing death requires the perpetrator to be first injured and then killed (o3.7 Arabic)

Democratic appeasement of Muslims borders on criminal

- ▶ Defeated law banning female genital mutilation (Maine, 1/18)
- ▶ Exception to cell phone law to accommodate headscarves (Minnesota, 3/19)
- ▶ Christian prayers are Islamophobic; reading Quran is OK (Pennsylvania, 3/19)
- ▶ 25 states have no minimum age for child marriage. A bill to increase the marriage age from 13 to 18 for girls was defeated (New Hampshire, 3/17)
- ▶ Footbaths (costing \$25,000) each have been installed at taxpayer expense at airports in Illinois, Indiana, Kansas, Michigan, Minnesota, and New York. Many colleges have them, too.
- ▶ Democratic bill to mandate kosher and halal food in New York public schools is being considered (New York, 6/17)
- ▶ The Muslim call to prayer is broadcast over loudspeakers in some cities in Michigan and New York.
- ▶ Definitive NYPD study of terrorism withdrawn due to Muslim pressure (See: http://www.jcrcny.org/wp-content/uploads/2016/01/NYPD_Report-Radicalization_in_the_West.pdf)
